

Our Agency is committed to perform several maritime activities such as port agency, freight forwarding, shipping agency, loading, unloading management and a vast array of other services ranging from the ship documents issuance or renewal (Security or Class Certificates, periodic inspections foregone by Italian or foreign laws, etc..), to a complete management of the vessel, whether Italian or foreign, as well as of the Crew.

We provide assistance to liner, tramp, navy or passengers ships, as well as yachts, throughout their staying in the port, operating on behalf of Italian and foreign Shipowners.
